OVCA TEAM GRANTS

Team Grants assist teams that have qualified for their provincial/national/international championship tournament.

This grant only applies to team events and not individual events such as “Hit, Draw, Tap/Tic, Tap, Toc” or the Curling Canada Singles competition.

Grant:

- For Youth (U21 and below), Disability /Deaf Sport and Under-represented Community Teams

Requirements:

- Teams may only apply for grants to provincial, national and international championships where **a QUALIFICATION PROCESS EXISTS in a given year**. Direct entry competitions are **NOT** eligible for funding for that season, regardless of whether a qualification process may have existed in the past.
- A list of currently eligible competitions is included below. The OVCA Board of Directors reserves the right to change the eligible competition list at any time during the curling season.
- Notwithstanding, **teams who wish to enter a direct-entry competition for under-represented communities (i.e., disability/deaf sport championships, LGBTQI2S or BIPOC competitions) may still apply for this grant.**
- For events that occur within OVCA boundaries, grants will NOT be available for teams competing in their home municipality.
- An application for the grant must be received BEFORE the event. Grants will not be issued for events that have already occurred.

- The receipt of the grant should be acknowledged through any social media channels the team may have using the hashtag **#OVCAGrants. Failure to acknowledge the receipt of a grant may disqualify a team or its members from future grant opportunities.**

Known Eligible Competition List – 2022/23 – This list may not be exhaustive at the time of publishing, so events not listed may still be eligible for grants if they meet all criteria.

Events currently listed may be de-listed if the provincial sport organization changes the qualification process such that an event no longer meets our criteria.
